MOVE
AN HOUR
(OR MORE)
EVERY DAY

Moving helps your child’s brain develop. Everyone in the family needs physical activity for a healthy heart, bones, muscles and brain.

Encourage running, jumping, skipping, hopping — any activity that results in a quicker heartbeat, more breathing and sweating.

Be a good role model and let your child see you being active.

Be active as a family!

GET ONE HOUR OR MORE
OF PHYSICAL ACTIVITY

This project was supported by the Ramsey County Public Health Department and its Statewide Health Improvement Program, funded by the Minnesota Department of Health.
Did You Know?

A Physical activity stimulates the brain to grow. The body and brain work together. Children need daily physical activity to develop physically as well as mentally.

Daily physical activity help children:
- Keep a healthy weight
- Develop strength and flexibility
- Be calmer and more focused so they can concentrate at school and on homework

Did You Know?

MOVE AN HOUR OR MORE EVERY DAY

- Encourage at least one hour of daily physical activity...for kids and adults!
- More than one hour of physical activity is good for children.
- Playing outside encourages running, jumping, skipping and hopping. This builds muscle.

ENCOURAGE FREE & FUN PHYSICAL ACTIVITY

- Play tag
- Jump rope
- Play ball (basketball, catch, soccer, etc.)
- Ride bikes
- Turn on the music and dance
- Sled, ski, or snowshoe
- Park the car at the end of the parking lot
- Take the stairs
- Dress your child for the weather and encourage outdoor play
- Do physical activities as a family such as going for a walk or to the park

MAKE PHYSICAL ACTIVITY EASIER

- Make gradual changes to increase your family’s level of physical activity.
- Incorporate physical activity into your family’s daily routines.
- Don’t let screen time replace play time.
- Choose toys and games that promote physical activity.
- Encourage lifelong physical activity by incorporating physical activity into your routine.
- Keep physical activity fun!

BE A ROLE MODEL

- Use a pedometer.
- Take a walk after dinner.
- Turn on the music and dance
- Play ball (basketball, catch, soccer, etc.)
- Ride bikes
- Dress your child for the weather and encourage outdoor play
- Do physical activities as a family such as going for a walk or to the park
