Women and men are legally equal in America. Domestic violence is illegal in America.</p> <p>Domestic Violence is when one person tries to hurt, abuse or gain power and control over another person, through physical, sexual, emotional, verbal or financial abuse.</p> <p>Domestic violence can occur within families or other intimate relationships, regardless of age, and whether people live separately or in the same household. It can even occur in former relationships. Ninety-five percent of the victims of domestic violence are women.</p>
